

'Kindness on Purpose Day' -- Coming up again November 19th and we're super-excited!

Last year was our first year, and we had over 120 individuals representing 29 states and 7 countries around the world participating. And those are just the ones that took the time to sign in on our website! We also had 4 elementary schools and 1 preschool joining in on the fun.

We were especially blown away by the staff and students of the schools that participated last year. Their generosity was incredible. Many children, animals, servicemen, firemen, policemen, and needy families were blessed by the unselfish acts of kindness demonstrated by many students on that day.

We invite you and your school, club, organization, religious group, book club, etc. to join with us this year in our endeavor to show that acts of kindness can be fun and that no action, no matter how small, goes unnoticed. Our hope this year is to double the number of people and groups coming together to touch someone else's life in a positive caring way on this day, and we would love you to be our partner in that dream!

How you choose to participate and the recipient of your acts of kindness is entirely up to you.

Please let us know how you'd like to participate, if there is anything we can do to help support you in this worthwhile project, or if you have any questions. You can reach Debbie Turner at debbie@sistersonpurpose.com. If you prefer, you can go directly to our website www.sistersonpurpose.com and list your group as a participant. (Last year's pictures and stories are still there for viewing.)

We invite you to also sign up individually, and to share this with your family and friends, encouraging them to do the same.

'Kindness on Purpose Day'
November 19, 2013
'Not something we do one day a year, but every day.'
